

CULTEC STORMGENIE® DESIGN TOOL TERMS OF USE

The CULTEC StormGenie® Design Tool (Design Tool) offered by Seller* is for conceptual purposes only, and it should not be interpreted or construed to create any representations or warranties of any kind, either express or implied. ALL WARRANTIES ARE HEREBY DISCLAIMED (WHETHER EXPRESS, IMPLIED, OR STATUTORY), INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

The user agrees to assume all risk with the Design Tool. Seller is not responsible for the accuracy, appropriateness, or suitability of any shop drawings submitted by the user. Shop drawings should be reviewed by a professional engineer, including any design engineer of record. Seller does not perform any design engineering services, and it is not assuming any design engineering responsibilities.

CULTEC's products with this configurator are intended for storm water use only, and are not intended for sanitary applications. The user is solely responsible for determining the suitability of CULTEC's products for its intended use and its compliance with any design plans, specifications, and/or applicable laws, and the user assumes all risk and liability whatsoever in connection therewith. Seller shall not be liable for any special, indirect, or consequential damages incurred by the user or any third party.

In the event the Design Tool cannot create a layout as configured by the user, or if additional information is required, a customer service representative for the Seller will contact the user.

Contact Seller for any questions regarding the configuration. The user acknowledges that, by submitting shop drawings through the Design Tool, the user approves and accepts these Terms of Use.
